

Chronic Disease Management Nurse Permanent Full-time

The Upper Grand Family Health Team (UGFHT) offers the opportunity to join an innovative, community-based primary health care team serving the Arthur, Fergus, and Elora areas. We are looking for a talented team player to join us as we continue to provide a model of excellence in rural primary health care.

Position summary

As a member of an inter-professional team, the Chronic Disease Management Nurse will provide preventative and chronic disease management programs primarily for metabolic, cardiac and pulmonary patients of the FHT. You will provide primary care and be a resource to family physicians, other allied health professionals, and the community. You will develop, implement, and evaluate programs and strategies working with individual patients, community groups, and agencies to improve and maintain health.

Requirements

- Baccalaureate of Science in Nursing required
- Current registration with the College of Nurses of Ontario required
- Current membership with RNAO/ proof of professional liability insurance required
- Certified Diabetes Educator (CDE)
- Demonstrated experience in one or more additional areas of clinical leadership: mental health, asthma and COPD, cardiac care, smoking cessation
- Experience in community/primary care setting
- Experience and demonstrated skills in program planning, execution and evaluation
- Proficient in the use of computer and information technology
- Excellent oral and written communication skills with individual and group teaching experience
- Collaborative team member
- Strong organizational and time management skills
- Good attendance record
- Valid Ontario Drivers' License and access to own reliable vehicle

A detailed job description is available upon request. Interested candidates should submit a cover letter and résumé by **Monday, October 22, 2018** to:
